Bridging Ceremony

May is our traditional Bridging Ceremony where our Scouts are “bridged” to their next Scouting Rank or from 1st year to 2nd year Webelos. This is a fun and rewarding time for our Scouts as they receive a new neckerchief and begin a new year in Scouting. I hope all of our Pack members can attend. I have some ideas for the ceremony that I think will make the night more memorable.

Spring “Round-Up”

Prior to the start of our May Pack Meeting beginning at 6:30, we are inviting boys in grades K-3 that are interested in Cub Scouts to visit our Pack and stay for the meeting which begins as normal at 7:00 and show how much fun we have. If you know of anyone that fits this age group, please share this with them even if they may not be sure about joining we can at least give them a chance to meet us and perhaps join the Pack so they can enjoy the summer activities with us.

Spring Pack Overnighter

The Spring over night campout is set for June 7-8 at Blackwell Forest Preserve in Warrenville, we still have a few openings so it is not too late to attend. I have some fresh ideas and I plan to involve the Scouts in cooking. Other plans are hikes, games and campfire fun. If you want to help with the event, contact John Adair.
