 Thank Jeff Anderson for all of his work, it is GREAT!

Fall Roundup

If you know of any new 1st, 2nd or 3rd grade boys that might be interested in joining our Pack, please let them know there will be a roundup on August 28 at 7 PM at Knox Church.

Campfire Kickoff September 13

The first Pack 105 Pack Meeting of the year will be on Saturday night, September 13 at Von Oven beginning at 7 PM. Popcorn pick up and return sign ups will also be that night so make every effort to attend. There is a possibility of a camp out as well but that is being worked on so watch for more info on that.

Monthly Hikes

We did a hike at Blackwell a short time ago and had a good time, we will likely return there in the fall or early winter for another. The next hike is planned for September and will likely be at Cantigny.

Help Needed!

The Pack needs volunteers as listed to the left but the most important is the Popcorn Kernel. Judy Muraglia has been doing this for the past 3 years. She is willing to help but will not be in town for the delivery to the pack and that is very important. 1 or 2 people would be great to take over with Judy's help and run this important fundraiser.

Picnic and Cougars Game

August 17 and 29, check the Pack website for more info!!!!
