Thank Jeff Anderson for all of
his work, it is GREAT!

Campfire Kickoff September 13

The first Pack 105 Pack Meeting of the year will be on Saturday night, September 13 at Von Oven beginning at 7 PM. Popcorn pick up and return sign ups will also be that night so make every effort to attend. Each Den is asked to do a skit or song at the campfire so this will be a great way to show our new Scouts how much fun we have! We will also have a ceremony to welcome our new Scouts as well as a campfire lighting Ceremony involving our youngest and oldest Scout.

Monthly Hikes

We did a hike at Blackwell a short time ago and had a good time, we will likely return there in the fall or early winter for another. The next hike is planned for September and will likely be at Cantigny.

October Fun

For those who like a scare, the Council is again hosting a Haunted Hike at Camp Big Timber in Elgin October 17, 18, 24, 25 with a special less scarier hike for those faint of heart on the 25th. There will be a link to the webpage on our Pack website soon.

POPCORN

This year's sales officially begin September 1st, you may have already received an order form in the mail. You can begin presales on September 1st to get a head start. We will also have "show and sells" at local hot spots so watch for those announcements. I also have some fun ideas planned for the big sellers and all that sell the suggested amount. Like throwing a pie in the Cubmasters' or Den Leaders' face.
