Blue and Gold Dinner

The Annual event is also the birthday of Scouting, we will have 9 Webelo Scouts bridging to either Boy Scouts or sports and cademics. Scouting for food collection of non-perishable items for our local food pantry is done at the Blue and Gold too. The ceremony this year is well planned and should be fun, the only thing to do is make

sure you are signed up for the event. Mary Howenstine is the Chair again and you can contact her at :

mhowe5@wideopenwest.com

I also want to stress that this is an important event, all Scouts should be in complete uniform including neckerchief and vest to show respect for the event. I want to see this at regular Pack Meetings too so get that uniform in shape.

Rechartering and Friends of Scouting

Our Annual rechartering is beginning now, Marianne Saran is replacing outgoing Membership Chair Kristina Purdy and has sent out the info to all families. Registering at the Blue and Gold will help get the process started. Friends of Scouting cards need to be filled out before or at the Blue and Gold too. Again I stress you do not have to donate, just a filled out form is all we ask to help the Pack earn the Quality Unit Award.
